

## MERRY CHRISTMAS 2011

To the members of ACRM, all divisions and affiliates of ACRM SA Inc., The Committee wishes you all the best for the Festive Season.

HAPPY NEW YEAR 2012

Every year at Christmas time, I rely on the plethora of appropriate emails to give me an item or idea for the ACRM Christmas card but thus far this year nothing. Why appropriate? Because there are so many idiotic laws and bans on what can or cannot be said nowadays, nothing religious, nothing racial and definitely nothing controversial or political. What it has done is led to a lack of good Christmas verses and pictures because people are too scared they will offend someone.

Taking all of the aforementioned into mind, I'm not sure if I can even wish everyone a Merry Christmas, at least, not if I am in anyway referring to Christ's birthday and the meaning of Christmas.

Call me old fashioned and maybe even politically incorrect but I have no qualms Flying one of these

and it worries me not, to whom I wish

Merry Christmas and sincerest wishes for a Happy and Prosperous New Year. Phil 48
